## **Notice regarding BCP (Business Continuity Planning) in light of COVID-19**

Since the beginning of the year, Hobart Capital Markets LLP has been monitoring the situation carefully to ensure that we have a comprehensive Business Continuity Plan in place to ensure that we can maintain the highest level of service to our clients should our ability to operate under normal circumstances be affected by the spread of the coronavirus.

In February this year a significant investment was made to support a remote trading solution for all key personnel, where steps taken include;

- Multi-screen trading solution over cloud based infrastructure.
- Remote VOIP recorded telephone solution.
- Secure remote access to key systems for selected back office staff.
- Working with key service providers to ensure appropriate BCP is in place.
- Restrictions placed on key personnel travel.

These systems have been, and continue to be tested on an ongoing basis and we are confident that Hobart's clients will see minimal disruption in the event that London experiences any of the scenarios that we have seen occur in other parts of the world.

If you have any questions regarding the above please contact your usual representative or email [compliance@hobartcapital.com](mailto:compliance@hobartcapital.com).
